

Junior Lesson Information

Moor Downs Golf Course Junior Lessons Program will introduce your child to the game and course play. Class size will be limited to 8 children (3 children minimum), and are available to children age 6 and up from beginner to intermediate levels.

No need to have your own clubs!

Moor Downs is participating in a nationally-run program called *Sticks for Kids*, which provides the tools and opportunities necessary

to allow as many junior golfers as possible to enjoy the game of golf. This allows Moor Downs to offer the use of junior clubs free. If you do not have a set of golf clubs and bag, we can provide them for use during the lesson, on a first come, first serve basis. Please call the course to reserve a set.

Beginner oriented lessons focusing on:
